Re: Beacon Island Landfill Reclamation Closure Certification Report

Dear Steve Boisvert:

The Department has reviewed the revised subject report, submitted on November 4, 2024. The revisions adequately address the comments in the Department's October 30, 2024 letter and the report is hereby accepted without further comment. Please note that should future disturbances of the cap be proposed, the Department must be notified prior to these disturbances. Please also note that following any future construction on the cap, submission of a revised closure report may be necessary.

Sincerely,

Jonathan Whitcomb
