###

With four transport modes -- ocean vessels, barges, freight railroads, interstate highways -- the Port of Albany is Upstate New York's largest public port/logistics hub and serves as a Port of Entry with on-site U.S. Customs office and bonded warehouse. The Port includes deep-water (31') access and nearly 450 acres of land on both sides of the Hudson River including a total of 5,400 LF of wharf, with an additional 500 LF planned. The Port of Albany is open and active year-round and is located 124 nautical miles north of the Battery in New York Harbor. The facility is currently undertaking nearly \$72 million in maritime upgrades as well as \$700+ million port expansion investments. For more information, visit www.portofalbany.us
